Talking Books _____ Braille _____

Institutions, such as hospitals, nursing homes, and rehabilitation centers, which regularly serve clients meeting the eligibility requirements on Page 2, can apply for free library service. Registered institutions may borrow books and equipment in order to:

1. Demonstrate the service to new library users.
2. Provide library service to eligible short-term residents. (Long-term residents should be registered for individual library accounts.)
3. Use in group activities with residents who cannot use standard print.

Public libraries may also borrow talking book equipment for demonstration purposes.

In compliance with RCW 42.56.310, application information is confidential and will be used only in relation to your library service.

List any languages, other than English, in which you would like to receive books:

Call the library at any time with special author, title, or subject requests, or if you have questions about your service.

Choose one option for receiving books:

I wish to have the library select books for me. The library will send books from the categories you indicated above, or from requests you send us. Each book you send back will automatically be replaced. Expect to receive a call from the library to talk about the kinds of books you would like to receive.

I wish to receive only books I request. You will need to call us with lists of requests from **Talking Book Topics**, our new book publication, or make requests through the online catalog in order for us to replace the books you return. No books will be sent if there are no requests in your file.
